Barry & Nilsson Lawyers

Ryan Kennedy has joined Barry & Nilsson's insurance team as a solicitor. Ryan's experience has involved acting for insurers and self-insurers in personal injuries claims, professional indemnity, medical negligence and debt recovery.

Stefanie Landwehrmann joined Barry & Nilsson's insurance team as a solicitor in November and assists with *Personal Injuries and Proceedings Act 2002* matters. Stefanie's experience has predominantly been in personal injury litigation matters including public liability, WorkCover claims, motor vehicle accidents and criminal compensation.

Broadley Rees Hogan Lawyers

Kathleen Ready is a senior associate specialising in commercial property and property development. In addition to working on a number of large and complex transactions, including multi-million dollar acquisitions and sales, Kathleen has experience in acquiring and developing small to large-scale commercial, residential and industrial developments.

Mick Patrick is a solicitor employed within the commercial litigation department, providing professional legal advice to clients in the building and infrastructure sector with particular focus on commercial and construction litigation and dispute resolution.

Krista McMahon joins the firm as a solicitor within the commercial property division and is predominantly focused on commercial property transactions including residential and off-the-plan developments.

Carter Newell Lawyers

Carter Newell Lawyers welcomes **Dee Wood**, who has joined the litigation & dispute

resolution team as an associate.

Dee has more than 10 years' experience in commercial and professional indemnity litigation and joins the Carter Newell team having spent the past five years working within a national firm.

Gadens Lawyers

Rachael Murray joins Gadens' corporate risk and insurance group with six years' experience in the insurance industry. Rachael has worked in private practice and in-house at Suncorp and has expertise in compulsory third-party insurance, workers' compensation insurance, and public liability.

Katrina Pagey and **James Nickless** have also commenced at Gadens in the litigation and corporate recovery services group. Katrina has experience in litigation, corporate and personal insolvency, and debt recovery. James has expertise in construction litigation, body corporate advice and general commercial litigation.

Rhys Lloyd-Morgan has been appointed as a lawyer in Gadens' property and commercial services team. Rhys has experience in property development, acquisitions, disposals and leasing. He is undertaking a Master of Laws at the Queensland University of Technology.

Zohab Razvi joins Gadens as a lawyer in the corporate advisory group, bringing expertise in corporate advisory and compliance advice, mergers and acquisitions, and foreign investment and is a Master of Laws graduate of Monash University.

Holding Redlich

Laura Walton joins Holding Redlich as a lawyer in the construction and infrastructure team and will specialise in security for payment matters,

dispute resolution and advising key industry regulators.

HopgoodGanim Lawyers

HopgoodGanim Lawyers has welcomed **Gemma Ayryss** as a solicitor to its planning and development practice. Gemma has experience managing a range of planning and environment matters, including representing clients in the Planning and Environment Court.

msl | michael sing lawyers

msl | michael sing lawyers has announced the inclusion of **Amy Sanders-Robbins** in its family law team in Brisbane. Amy has practised exclusively in family law for more than three years.

Shine Lawyers

James Chrara has been appointed to the position of south-west Queensland legal partner. James specialises in personal injury law and insurance law in the areas of work injury claims, motor vehicle accidents and public liability claims.

Sandra Lim has been appointed to the position of north Queensland legal partner of Shine Lawyers. Sandra has 20 years' experience in personal injury litigation.

Amy Carlson has been appointed as an associate of Shine Lawyers. Amy is experienced in personal injuries litigation in the areas of workplace injuries, motor vehicle injuries, public liability claims and criminal compensation claims. ■
